

Welcome to McKenzie Library!

Browse the shelves:

- The two far walls contain resources that can be checked out. These resources are arranged by author's last name.
- The middle wall (with cabinets underneath) contains resources to be used while on campus. Books of Life resources may also be used while on campus.

Browse the online library catalog for resources available for check out:

- Visit <https://www.librarycat.org/lib/FUMCBR> or use the QR code below to reach the Library Cat website.

- Search the library database by author, topic, or keyword.
- Once you find the title of the resource that interests you, look on the two far wall shelves by author's last name for it. (No online 'place hold' or 'check out' is available. You must come into the library to check out resources.)
- Remove the paper card from the card pocket inside of the book or back of DVD you have selected, write your name and the date you are checking the resource out. Place the card in the wooden box here on the table.

Returning books:

- Place returned books on the rolling cart. Volunteers happily reshelve.

Donations:

- Do not leave any books/curriculum in the library for donation as all resources must first be approved. If you wish to donate Christian resources to our library, contact Pattye Hewitt at phewitt@firstmethodist.org
